

Blues Deluxe

Joe Bonamassa

I don't know too much about love baby now,
But I sure think I got it bad yeah.
I don't know too much about love baby now,
But I sure think I got it bad yeah.
Some people say love is just a gamble,
Ooo whatever it is about to drive me mad yeah.
Yeah, lookout...
I sit here in my lonely room now,
Tears flowin' down my eyes.
As I sit here in my lonely room now,
Tears flowin' down my eyes.
I wonder how you can treat me so low down and dirty.
You know what?
Your heart must be made out of ice yeah.
(Lead Break)
Sometimes I get so worried baby now,
You know I wanna sit down and cry myself to sleep.
Sometimes I get so worried baby now,
You know I wanna sit down and cry myself to sleep.
Cuz I don't know too much about love babe,
But I sure think I... sure think I... got it bad yeah.
Oh, I sure think I got it bad yeah.
