

No Future in the Past

Vince Gill

I lie here tonight in the darkness
I've never felt so alone
Tomorrow I'll wake up still lonesome
'Cause things haven't changed since you've gone. You walked out with angry words spoken
Your leavin' cut right to the bone
I'll pick up the pieces you have broken
Find the strength to go on. I still remember my arms once held her
How long do old memories last
Why can't I forget it, why can't I admit it
There ain't no future in the past.--- Instrumental ---I still remember my arms once held her
How long do old memories last
Why can't I forget it, why can't I admit it
There ain't no future in the past.
Why can't I forget it, why can't I admit it
There ain't no future in the past...
