

# Serpentine Fire

## Earth, Wind & Fire

When I see your face  
Like a mornin' sun  
You spark me to shine

Tell all the world  
My need is fulfilled  
And that's a new design

As long as you're near  
There is no fear  
Of a victory  
All right

But when I'm away  
Influences stray  
My mind to disagree

I wanna see your face  
In a morning sun  
Ignite my energy, ow

The cause and effect of you  
Has brought new meaning  
In my life to me

Gonna tell the story o'  
Morning glory  
All about the serpentine fire

Gonna tell the story o'  
Morning glory  
All about the serpentine fire

Oh yeah, oh yeah, oh yeah  
Oh yeah, oh yeah, oh yeah

I need to see your face  
Like a morning sun  
Ignite my energy, huh

The cause and effect of you  
Has brought new meaning  
In my life to me

The moments I find  
When I'm inclined  
To do my best, oh

The negative wins  
When I give in and  
Then I lose the test  
(Not many times)

Gonna tell the story o'  
Morning glory  
All about the serpentine fire

Surely as life begun  
You will as one  
Battle with the serpentine fire

Oh yeah, oh yeah, oh yeah  
Oh yeah, oh yeah, oh yeah

Surely as life begun  
You will as one  
Battle with the serpentine fire

Surely as life begun  
You will as one  
Battle with the serpentine fire

Gonna tell the story o'  
Morning glory  
All about the serpentine fire

Gonna tell the story o'  
Morning glory  
All about the serpentine fire
