

# Sorry

## Jonas Brothers

[Verse 1: Nick Jonas]

Broken hearts and last goodbyes  
Restless nights by lullabies helps make this pain go away  
I realize I let you down, told you that I'd be around  
Building up the strength just to say

[Chorus: Jonas Brothers]

I'm sorry for breaking all the promises  
That I wasn't around to keep  
You told me this time is the last time  
That I will ever beg you to stay  
But you're already on your way

[Verse 2: Nick Jonas]

Filled with sorrow, filled with pain  
Knowing that I am to blame for leaving your heart out in the rain  
And I know you're gonna walk away  
Leave me with the price to pay, before you go I wanted to say  
Yeah

[Chorus: Jonas Brothers]

That I'm sorry for breaking all the promises  
That I wasn't around to keep  
You told me this time is the last time  
That I will ever beg you to stay  
But you're already on your way

[Bridge: Nick Jonas & Joe Jonas]

I can't make it alive on my own  
But if you have to go, then please girl, just leave me alone  
'Cause I don't wanna see you and me going our separate ways  
Begging you to stay if it isn't too late

[Chorus: Jonas Brothers]

I'm sorry for breaking all the promises  
That I wasn't around to keep  
You told me this time is the last time  
That I will ever beg you to stay  
But you're already on your way

[Outro: Jonas Brothers]  
But you're already on your way
