

True Colors (feat. Kelly Price & Fantasia)

Faith Evans

You with the sad eyes Don't be discouraged Oh I realize It's hard to take courage In a world full of people
You can lose sight of it all Darkness inside you makes you feel so small But I see your true colours shining through
See your true colours And that's why I love you So don't be afraid to let them show True colours True colours Beautiful
Like a rainbow Show me a smile then, Don't be unhappy, can't remember When I last saw you laughing
If this world makes you crazy And you've taken all you can bear You call me up And you know I'll be there
But I see your true colours Shining through See your true colours And that's why I love you So don't be afraid to let them show
True colours True colours Beautiful Just call me up and you know I'll be there I see your true colours Shining through
See your true colours And that's why I love you So don't be afraid to let them show Your true colours Your true colours Beautiful
I see your true colours Shining through See your true colours And that's why I love you So don't be afraid to let them show
True colours True colours True colours True colours True colours Are beautiful So beautiful You're beautiful like a rainbow
