

# Holiday

## Green Day

Say hey! Hear the sound of the falling rain  
Coming down like an Armageddon flame  
The shame, the ones who died without a name  
Hear the dogs howling out of key  
To a hymn called "Faith and Misery"  
And bleed, the company lost the war today  
I beg to dream and differ from the hollow lies  
This is the dawning of the rest of our lives  
On holiday Hear the drum pounding out of time  
Another protester has crossed the line  
To find the money's on the other side  
Can I get another amen?  
There's a flag wrapped around a score of men  
A gag, a plastic bag on a monument  
I beg to dream and differ from the hollow lies  
This is the dawning of the rest of our lives  
On holiday Three, four  
The representative from California has the floor  
"Sieg Heil" to the president Gasman  
Bombs away is your punishment  
Pulverize the Eiffel towers  
Who criticize your government  
"Bang, bang" goes the broken glass and  
Kill all the fags that don't agree  
Trials by fire, setting fire  
Is not a way that's meant for me  
Just 'cause  
Just 'cause, because we're outlaws, yeah  
I beg to dream and differ from the hollow lies  
This is the dawning of the rest of our lives  
I beg to dream and differ from the hollow lies  
This is the dawning of the rest of our lives  
This is our lives on holiday
