

Why Don't You Love Me (feat. Demi Lovato)

Hot Chelle Rae

See, I can't wake up, I'm living a nightmare
That keeps playing over again
Locked in a room, so hung up on you
And you're cool just being friends
Left on the sidelines
Stuck at a red light
Waiting for my time
And I can't see
Why don't you love me?
Touch me, tell me I'm your everything
The air you breathe
Why don't you love me, baby
Open up your heart tonight
'Cause I could be all that you need, ohhh
Why don't you love me?
Why don't you love me?
See I'm just too scared to tell you the truth
'Cause my heart it can't take anymore
Broken and bruised, longing for you
And I don't know what I'm waiting for
Left on the sidelines
Stuck at a red light
Waiting for my time
So just tell me
Why don't you love me?
Touch me, tell me I'm your everything
The air you breathe
Why don't you love me baby
Open up your heart tonight
I could be all that you need
Why don't you give me a reason (give me a reason)
Please tell me the truth (please tell me the truth)
You know that I'll keep believing
Till I'm with you
Why don't you love me
Kiss me, I can feel your heart tonight
It's killing me so
Why don't you love me?
Touch me, tell me I'm your everything
The air you breathe
And why don't you love me baby?
Open up your heart tonight

I could be all that you need
Why don't you love me?
Why don't you love me?
Why don't you love me?
Why don't you love me?
Why don't you love me?
