Grimes

Oh, baby, I can't say
That everything is okay
Cause I have a problem
And I don't know where to start from
But baby I can do
Anything to help you
I'm looking to the phone
And you know I'm a
I'm a into the
I'm a
I'm a
I'm a into the
I'm a
Oh, baby, I can't say
That everything is okay
'Cause I have a problem
And I don't know how to solve them
Oh, baby, I can't do
Anything without you
Cause I came to the point
And you know, and you know
You gonna have, gonna have to go on
I'm a
I'm a into the
I'm a
I'm a
I'm a into the
I'm a
