

Dance to This (feat. Ariana Grande)

Troye Sivan

[Verse 1: Troye Sivan]

Young ambition

Say we'll go slow but we never do

Premonition

See me spendin' every night with you [Pre-Chorus: Troye Sivan]

Oh, yeah, under the kitchen lights

You still look like dynamite

And I wanna end up on you

Oh, don't need no place to go

Just put on the radio

You know what I wanna do

[Chorus: Troye Sivan]

We can just dance to this

Don't take much to start me

We can just dance to this

Push up on my body, yeah

You know we've already seen all of the parties

We can just dance to this

We can just, we can just

Dance to this

Dance to this

We can just dance to this [Verse 2: Ariana Grande]

Dear beloved

Bring those 501s a bit closer, bit closer

And dear, my lover

Do that thing we never do sober, sober

[Pre-Chorus: Troye Sivan & Ariana Grande, Ariana Grande]

Oh, yeah, under the kitchen lights

You still look like dynamite

And I wanna end up on you (yeah)

Oh, we don't need no place to go

Just put on the radio

You know what I wanna do [Chorus: Troye Sivan & Ariana Grande]

We can just dance to this

Don't take much to start me

We can just dance to this

Push up on my body, yeah

You know we've already seen all of the parties

We can just dance to this

We can just, we can just

Dance to this

Dance to this

We can just dance to this[Bridge: Troye Sivan with Ariana Grande]
I don't wanna sleep tonight-night-night-night-night
I just want to take that ride
I don't wanna sleep tonight-night-night-night-night
I just want to take that ride[Chorus: Troye Sivan with Ariana Grande]
We can just dance to this
Don't take much to start me
We can just dance to this
Push up on my body, yeah
You know we've already seen all of the parties
We can just dance to this
We can just...
We can just dance to this
Don't take much to start me
We can just dance to this
Push up on my body, yeah
You know we've already seen all of the parties
We can just dance to this
We can just, we can just
Dance to this[Outro: Troye Sivan & Ariana Grande]
Dance to this, love
Dance to this
We can just, dance to this
Dance to this, dance to this
We can just dance to this
I don't wanna sleep tonight-night-night-night-night
I just wanna take that ride
I don't wanna sleep tonight-night-night-night-night
I just wanna take that ride
We can just... dance to this
I don't wanna sleep tonight-night-night-night-night
I just wanna take that ride
I don't wanna sleep tonight-night-night-night-night
I just wanna take that ride
We can just... dance to this
I don't wanna sleep tonight-night-night-night-night
