

# WHEN I SING

## NEED TO BREATHE

Your melody is like a love letter  
And I'm loving everything you do  
You're skin feels just like a rose petal  
The remedy that gets me through Cause when I sing  
You're this song that I'm singing  
You're my moment of weakness  
When I sing babe it's just my way  
To tell you I need you Sometimes I feel like you're a storm coming  
And ain't had no rain for weeks  
I'm tired of being so far away from you  
You know I need you here not in my dreams  
Cause when I sing  
You're the song that I'm singing  
You're my moment of weakness  
When I sing babe it's just my way  
To tell you I need the choir of lost and found  
I'm reaching up right through the clouds  
With everything that makes a sound  
I want to sing it out When I sing  
You're this song that I'm singing  
You're my moment of weakness  
When I sing babe it's just my way  
To tell you I need you  
Sing  
I'll sing for you  
I'll sing for you  
When I sing  
(I sing)  
When I sing  
I'll sing for you  
I'll sing for you  
Baby it's just my way  
To tell you I need you  
To tell you I need you
