

Yahweh (feat. Chris Tomlin)

Passion

Yahweh
Your name alone be exalted
Yahweh
Our hearts are Yours forever You have no rival to Your throne
In majesty You stand alone
There is no end to Your reign
Now all Your works shall praise Your name As far as this
From east to west
There's no other
There's no other
Yahweh
Your name alone be exalted
Yahweh
Our hearts are Yours forever The Great I am
Your breath in us
Our God, Our King
You're glorious
For all the world Your love displayed
Now all Your works shall praise Your name As far as this
From east to west
There's no other
There's no other Yahweh
Your name alone be exalted
Yahweh
Our hearts are Yours forever
Holy, Holy
Your name alone is holy
Holy, Holy
Your name alone is holy
The name above all name Yahweh
Your name alone be exalted
Yahweh
Our hearts are Yours forever
