

Walking On Air

Katy Perry

[Intro]

Tonight, tonight, tonight, I'm walking on air
Tonight, tonight, tonight, I'm walking on air

[Verse 1]

You're giving me sweet, sweet ecstasy
Yeah, you take me to utopia
You're reading me like erotica
Boy, you make me feel exotic, yeah

[Pre-Chorus]

Just when I think I can't take anymore
We go deeper and hotter than ever before
We go higher and higher
I feel like I'm already there

[Chorus]

I'm walking on air
Tonight, I'm walking on air
I'm walking, I'm walking on air
Tonight, I'm walking on air
I'm walking on air
Tonight, I'm walking on air
I'm walking, I'm walking on air
Tonight, I'm walking on air
I'm walking on air
Tonight

[Verse 2]

This is pure paradise
Even heaven is jealous of our love
Yes, we make angels cry
Raining down on us from up above

[Pre-Chorus]

Just when I think I can't take anymore
We go deeper and hotter than ever before
We go higher and higher
I feel like I'm already there

[Chorus]

I'm walking on air
Tonight, I'm walking on air
I'm walking, I'm walking on air
Tonight, I'm walking on air
Oh, I'm walking on air
Tonight (Tonight), I'm walking on air (I'm walking)
I'm walking, I'm walking on air
Tonight (Tonight), I'm walking on air (I'm walking on air)
I'm walking on air

[Refrain]

Tonight, tonight, tonight, I'm walking on air
Tonight, tonight, tonight, I'm walking on air

[Bridge]

Heaven is jealous of our love
Angels are crying from up above, oh yeah

[Chorus]

Tonight (Tonight), I'm walking on air (I'm walking)
I'm walking, I'm walking on air
Tonight (Tonight), I'm walking on air (Yeah)
I'm walking on air (I'm walking on air)
Tonight (Tonight), I'm walking on air (I'm walking)
I'm walking, I'm walking on air
Tonight (Tonight), I'm walking on air (Oh, oh, oh, oh)
I'm walking on air

[Refrain]

Tonight, tonight, tonight, I'm walking on air (I'm walking on air)
Tonight, tonight, tonight, I'm walking on air

[Outro]

I'm walking on air
