

# Every Girl's a Super Girl

JoJo Siwa

Maybe you noticed something about us  
The things we do so well  
We do it better when we're together  
And everyone can tell

We show up for each other  
Listen up to each other  
It's a real kind of power  
And we're making it ours

We look up to each other  
Looking out for one another  
It's a real kind of power  
An we're making it ours

Look out, we're coming your way  
Shout out, got something to say yeah  
We save the day everyday, oh  
Hey! Every girl's a super girl

Fearless, unstoppable  
Courageous, invincible  
We're human, unshakable  
Every girl's a super girl

Friendly, relatable  
Like diamonds, unbreakable  
Down to earth, we run the world  
Every girl's a super girl

You've got a story, so don't you worry  
Say what you need to say  
This is your chapter, happy ever after  
Live everyday that way

We show up for each other  
Listen up to each other  
It's a real kind of power  
And we're making it ours

We look up to each other  
Looking out for one another  
It's a real kind of power  
An we're making it ours

Look out, we're coming your way  
Shout out, got something to say yeah  
We save the day everyday, oh  
Hey! Every girl's a super girl

Fearless, unstoppable  
Courageous, invincible  
We're human, unshakable  
Every girl's a super girl

Friendly, relatable  
Like diamonds, unbreakable  
Down to earth, we run the world  
Every girl's a super girl

Lemme hear ya!

Look out, we're coming your way  
Shout out, got something to say yeah  
We save the day everyday, oh  
Hey! Every girl's a super girl

Fearless, unstoppable  
Courageous, invincible  
We're human, unshakable  
Every girl's a super girl

Friendly, relatable  
Like diamonds, unbreakable  
Down to earth, we run the world  
Every girl's a super girl
