

# You and Me

## The Magician

[Upbeat Electronic music]

[Verse 1]

Moving slow  
Heart is beating faster than you'll ever know  
Feeling high  
Riding on towards a lover's paradise  
Letting go  
All of these emotions we were scared to show  
Energized  
I can see a brighter future in your eyes

[Chorus]

You and Me, You and Me, Just You and Me, You and Me  
Just You and Me, You and Me, Just You and Me, You and Me  
You and Me, You and Me, Just You and Me, You and Me  
Just You and Me, You and Me, Just You and Me

[Verse 2]

Breathing loud  
Everything we need is in the here and now  
Home at last  
Smiling as we leave our troubles in the past  
Hypnotized  
Love has never felt the way it does tonight  
Safe from harm  
I can feel a brighter future in your eyes

[Instrumental]

(You and Me, You and Me, You and Me, You and Me  
You and Me, You and Me, You and Me, You and Me  
You and Me, You and Me, You and Me, You and Me  
You and Me, You and Me, Just You and Me, Me, Me, Me, Me)

[Chorus]

You and Me, You and Me, Just You and Me, You and Me  
Just You and Me, You and Me, Just You and Me, You and Me  
You and Me, You and Me, Just You and Me, You and Me

Just You and Me, You and Me, Just You and Me

[Outro]

Ah-Aah-Aah-Aah-Aah  
Ah-Aah-Aah-Aah-Aah  
Ah-Aah-Aah-Aah-Aah  
Ah-Aah-Aah-Aah-Aah

Ah-Aah-Aah-Aah-Aah  
Ah-Aah-Aah-Aah-Aah  
Ah-Aah-Aah-Aah-Aah  
Ah-Aah-Aah-Aah-Aah

Hey, Yeah
