

Paradise (feat. Benjamin Ingrosso)

Ofenbach

Bom, bom-bom, bom-bom-bom-bom-bom-bom-bom
Bom, bom-bom, bom-bom-bom-bom-bom-bom-bom
Ladies and gentlemen This is a private jam
I see you walking with a hippie dance (aha)
Uh, your neon skirt dance
I turn it up, we into Neverland, yeah
You smile and then take my baseball cap
Ooh, I never ever had a love like that
Mm, you bringing along the California vibe
Yeah, you impersonating everything I like
Oh, no-no-no Uuh, (hey) you give me butterflies
Uuh, you feel like paradise
Uuh, oh, we should sneak away
I want you to be mon amour
Bom, bom-bom, bom-bom-bom-bom-bom-bom-bom
Bom, bom-bom, bom-bom-bom-bom-bom-bom-bom
I want you to be mon amour
Bom, bom-bom, bom-bom-bom-bom-bom-bom-bom
Bom, bom-bom, bom-bom-bom-bom-bom-bom-bom
Bom, bom-bom, bom-bom-bom-bom-bom-bom-bom (hey)
Bom, bom-bom, bom-bom-bom-bom-bom-bom-bom We're sipping Moscow Mule
You take these shots as if you're bulletproof
You mention something 'bout a room for two
Oh honey, I do everything for you
Everything for you Uuh, (hey) you give me butterflies
Uuh, you feel like paradise
Uuh, oh, we should sneak away
I want you to be mon amour
Bom, bom-bom, bom-bom-bom-bom-bom-bom-bom
Bom, bom-bom, bom-bom-bom-bom-bom-bom-bom
I want you to be mon amour
Bom, bom-bom, bom-bom-bom-bom-bom-bom-bom
Bom, bom-bom, bom-bom-bom-bom-bom-bom-bom
Bom, bom-bom, bom-bom-bom-bom-bom-bom-bom (hey)
Bom, bom-bom, bom-bom
I want you to be mon amour Bom, bom-bom, bom-bom-bom-bom-bom-bom-bom
Bom, bom-bom, bom-bom-bom-bom-bom-bom-bom
Mon amour
Bom, bom-bom, bom-bom-bom-bom-bom-bom-bom
(Forget me)
