Bark at the Moon

Ozzy Osbourne

Screams break the silence
Waking from the dead of night
Vengence is boiling
He's returned to kill the light
Then when he's found who he's looking for
Listen in awe and you'll hear himBark at the moonYears spent in torment
Buried in a nameless grave
Now he has risen
Miracles would have to save
Those that the beast is looking for
Listen in awe and you'll hear him
Bark at the moon
Hey yeah, bark at the moonThey cursed and buried
him along with shame
And thought his timeless soul
had gone, gone
In empty burning hell, unholy one
But he's returned to prove them wrong
Ooh, yeah babyHowling in shadows
Living in a lunar spell
He finds his heaven
Spewing from the mouth of hell
Those that the beast is looking for
Listen in awe and you'll hear him
Bark at the moon
Hey yeah, bark at the moon
Hey yeah, bark at the moon
Oh yeah, bark at the moon
