

Bright Lights Bigger City

CeeLo Green

[Verse 1]

I've been living for the weekend, but no not anymore
'Cause here comes that familiar feeling, that Friday's famous for
Yeah, I'm lookin' for some action and it's out there somewhere
You can feel the electricity, all in the evening air
And it may just be more of the same
But sometimes you wanna go where everyone knows your name
So I guess I'll have to wait and see
But I'm just gonna let something brand new happen to me

[Hook]

And it's alright (it's alright)
It's alright, it's alright, it's alright (it's alright)
Bright lights and the big city
It belongs to us tonight (tonight, tonight)

[Verse 2]

Now Friday is cool, but there's something about Saturday night
You can't say what you won't do, c'ause you know that you just might
I'm alive this evening, it was love at first sight
A-this Saturday and every Saturday for the rest of my life
And everyone's standing in line, uh
Yeah, lookin' good, and lookin' for a real good time
So I'll never have to wonder if
I'll have someone to share all of this with

[Hook]

And it's alright (it's alright)
It's alright, it's alright, it's alright (it's alright)
Bright lights and the big city
It belongs to us tonight (tonight, tonight)
Alright

[Bridge]

Yes I need it, everybody does
Cocktails and conversation, music and making loove

[Outro]

And it's alright (it's alright)
It's alright, it's alright, it's alright (it's alright)
Bright lights and the big cityy
It belongs to us tonight (tonight)
Bright lights, bright lights
Bright lights and the big city (tonight)

It belongs to us tonight (tonight)
