

Desire

Ozzy Osbourne

I always knew what I wanted to be

I knew for sure, I knew for sure

Always knew it was them or me

I wanted more, more and more

And it's all right, it's okay

None of them people gonna take it away

They don't know, they don't know

And I can't stop 'cause it drives them crazy

It drives them crazy, 'cause I won't be cool

It's too late baby

It's the same old desire

Nothing has changed, nothing's the same

Burning like fire

Don't you ever take my name in vain, oh yeah

Always moving, somewhere else to be

Moving on, moving on

Scream at you and you scream at me

Right or wrong, right or wrong

It's all right, it's okay
No one's ever gonna take us away
'Cause they don't know like I know
I gotta keep rockin' 'cause it makes me crazy
It makes me crazy, who needs to be cool
Life's amazing

It's the same old desire
Crazy train, crazy train
Burning like fire
Don't you ever take my name in vain

It's the same old desire
Nothing has changed, nothing's the same
Burning like fire
Don't you ever take my name in vain, oh yeah

It's the same old desire
Nothing has changed, nothing's the same
Burning like fire
Don't you ever take my name in vain

Same old desire
Crazy train, crazy train
Burning like fire

Don't you ever take my name in vain

Same old desire

Nothing has changed, nothing's the same

Burning like fire

Don't you ever take my name in vain
