

# Bones (feat. OneRepublic) [BotCash Remix]

## Galantis

You bring an energy I've never felt before  
Some kind of chemical that reaches through my core  
It feels like As far as you and me I've never had a choice  
You feel like home, hmm  
You're like the opposite of all of my mistakes  
Tear down the biggest walls and put me in my place  
I know, that kind of comfortable you cannot replicate  
You feel like home, hmm So if you're asking me  
Saying "Oh, how do you know?"  
I don't just feel it in my heart  
Don't just feel it in my heart, no  
I feel it in my bones  
I feel it in my bones  
And I know when it cuts tears down through your chest into your soul  
That's how you know  
That's how I know  
I feel it in my bones And I know when it cuts tears down through your chest into your soul  
That's how you know  
That's how I know  
I feel it in my bones So many people just walk in and out your life  
I'd trade a couple hundreds and just to get some time, back that's right  
Cause for you and me, I got no alibi  
You feel like home, oh So if you're asking me  
Saying "Oh, how do you know?"  
I don't just feel it in my heart  
Don't just feel it in my heart, no  
I feel it in my bones  
I feel it in my bones, yeah  
And I know when it cuts tears down through your chest into your soul  
That's how you know  
That's how I know  
I feel it in my bones  
I feel it in my bones  
Yeah, I feel it in my bones  
That's how you know  
That's how I know So if you're asking me  
Saying "Boy, how do you know?"  
I don't just feel it in my heart  
Don't just feel it in my heart, no  
I feel it in my bones I feel it in my bones  
I feel it in my bones, yeah  
And I know when it cuts tears down through your chest into your soul

That's how you know  
That's how I know  
I feel it in my bones I feel it in my bones  
Yeah, I feel it in my bones  
Oh, that's how you know  
That's how I know  
Feel it in my bones
