

# Brendan's Death Song

## Red Hot Chili Peppers

Live or die before I get it done will you decide  
Take my words and turn them into signs they will survive  
because along time ago I knew not to deprive  
It's safe out there now your everywhere just like the sky  
And you I love you  
you are the lucid dream you are the ride  
and when you hear this you know it's your jam, it's your goodbye  
like I said you know I'm almost dead  
you know I'm almost gone  
and when the drummer drums  
it's gonna play my song to carry me along  
like I said you know I'm almost dead  
you know I'm almost gone  
and when the moment comes  
to bury me away to where we all belong  
We all cross when were feeling lost  
it's just the time  
Could terry cry the day her lover died she recognized  
because you gave her a life of real love it's no surprise  
like I said you know I'm almost dead  
you know I'm almost gone  
and when the drummer drums it's gonna play my song to carry me along  
Then we live, so every time you die,  
he's in the revert sky  
Lay me down, so when it's time to leave. another sun will rise...  
I said Yeah! Yeah! Yeah! Yeah! Yeah!  
I said Yeah! Yeah! Yeah! Yeah! Yeah!  
Like I said you know I'm almost dead  
you know I'm almost gone  
and when the moment comes to bury me away to where we all belong  
Like I said you know I'm almost dead  
you know I'm almost gone  
Like I said you know I'm almost dead  
you know I'm almost gone  
Like I said you know I'm almost dead  
you know I'm almost gone
