

# For Whom the Bell Tolls

## Bee Gees

I stumble in the night  
Never really knew what it would've been like  
You're no longer there to break my fall  
The heartache over you  
I'd give it everything but I couldn't live through  
I never saw the signs  
You're the last to know when love is blind  
All the tears and the turbulent  
years  
When I would not wait for no one  
Didn't stop, take a look at myself  
See me losing you  
When the lonely heart breaks, it's the one that forsakes  
It's the dream that we stole  
And I'm missing you more than the fire that will roar  
A hole in my soul  
For you it's good-bye, for me it's to cry  
For whom the bell tolls, for me  
I've seen you in a magazine  
A picture at a party where you shouldn't have been  
Hanging on the arm of someone else  
I'm still in love with you  
Won't you come back to your little boy blue  
I've come to feel inside  
This precious love was never mine  
Now I know but a little too late  
That I could not live without you  
In the dark or the broad daylight  
I promise I'll be there  
When the lonely heart breaks, it's the one that forsakes  
It's the dream that we stole  
And I'm missing you more than the fire that will roar  
A hole in my soul  
For you it's goodbye, for me it's to cry  
For whom the bell tolls  
Now I know there'll be times like this  
When I couldn't reach out to no one  
Am I never gonna find someone who knows me like you do  
Are you leaving me a helpless child  
When it took so long to save me  
Fight the Devil and the deep blue sea  
I'll follow you anywhere, I promise I'll be there  
When the lonely heart breaks, it's the one that forsakes  
It's the dream that we stole  
And I'm missing you more than the fire that will roar  
There's a hole in my soul  
For you it's good-bye, for me it's to cry  
For whom the bell tolls  
When the lonely heart breaks, it's the one that forsakes

It's the dream that we stole  
And I'm missing you more than the fire that will roar  
There's a hole in my soul  
For you it's good-bye, for me it's to cry  
For whom the bell tolls  
When the lonely heart breaks, it's the one that forsakes  
It's the dream that we stole  
And I'm missing you more than the fire that will roar  
There's a hole in my soul
