

Anyone

Demi Lovato

Uh, uh I tried to talk to my piano I tried to talk to my guitar
Talked to my imagination
Confided into alcohol I tried and tried and tried some more
Told secrets 'til my voice was sore
Tired of empty conversation
'Cause no one hears me anymore A hundred million stories
And a hundred million songs
I feel stupid when I sing
Nobody's listening to me
Nobody's listening
I talked to shooting stars
But they always get it wrong
I feel stupid when I pray
So why am I praying anyway?
If nobody's listening Anyone, please send me anyone
Lord, is there anyone?
I need someone, oh
Anyone, please send me anyone
Lord, is there anyone?
I need someone I used to crave the world's attention
I think I cried too many times
I just need some more affection
Anything to get me by
A hundred million stories
And a hundred million songs
I feel stupid when I sing
Nobody's listening to me
Nobody's listening I talked to shooting stars
But they always get it wrong
I feel stupid when I pray
Why the fuck am I praying anyway?
If nobody's listening Anyone, please send me anyone
Lord, is there anyone?
I need someone, oh
Anyone, please send me anyone
Oh, Lord, is there anyone?
I need someone Oh, anyone, I need anyone
Oh, anyone, I need someone A hundred million stories
And a hundred million songs
I feel stupid when I sing
Nobody's listening to me

Nobody's listening
