Anyone

Demi Lovato

Uh, uhI tried to talk to my pianoI tried to talk to my guitar Talked to my imagination

Confided into alcoholI tried and tried and tried some more Told secrets 'til my voice was sore

Tired of empty conversation

'Cause no one hears me anymoreA hundred million stories

And a hundred million songs

I feel stupid when I sing

Nobody's listening to me

Nobody's listening

I talked to shooting stars

But they always get it wrong

I feel stupid when I pray

So why am I praying anyway?

If nobody's listeningAnyone, please send me anyone

Lord, is there anyone?

I need someone, oh

Anyone, please send me anyone

Lord, is there anyone?

I need someoneI used to crave the world's attention

I think I cried too many times

I just need some more affection

Anything to get me by

A hundred million stories

And a hundred million songs

I feel stupid when I sing

Nobody's listening to me

Nobody's listeningI talked to shooting stars

But they always get it wrong

I feel stupid when I pray

Why the fuck am I praying anyway?

If nobody's listeningAnyone, please send me anyone

Lord, is there anyone?

I need someone, oh

Anyone, please send me anyone

Oh, Lord, is there anyone?

I need someoneOh, anyone, I need anyone

Oh, anyone, I need someoneA hundred million stories

And a hundred million songs

I feel stupid when I sing

Nobody's listening to me

Nobody's listening
