You can let me know if it's a problem but it ain't
'Cause to be honest half the time the world is getting in the way
So now you got me, now attention undivided
Roll it up and light it 'cause I know you like to smoke
We paper planin' like a pilot
Just in case you want a drink, I got the 1942
'Cause we be busy there's a couple things that we don't get to do
So now we here so what it do?
I got the liquor, got the food
I got the weed, I got a xan in case you tripping 'bout the news
And we could ee-er ee-er, snack size dessert
Baby girl a keeper, panties and a t-shirt
Whole world seen her, baby do your research
Hating bitches mad 'cause they man is just a b-word

Man is just a b-word
'Cause your man is just a b-word
Your man is just a b-word
Your man is just a b-word

And your ex is a b-word, bitch

[Hook]
And that's why now
Monday, Tuesday, Wednesday, Thursday, Friday, Saturday
I got nowhere to go, yeah

[Bridge]
And I hope that you don't mind
All I got is one thing on my mind
You gon' have to catch this vibe
'Cause bitch we can't go outside, yeah
Hope that you don't mind
All I got is one thing on my mind
You gon' have to catch this vibe
'Cause bitch we can't go outside, yeah

[Outro]
