

# Just Like You

## Hannah Montana

[Verse 1]

So what you see is only half the story  
There's another side of me  
I'm the girl you know, but I'm someone else too  
If you only knew  
It's a crazy life, but I'm alright

[Chorus]

I got everything I've always wanted, living the dream  
So yeah, everything I've always wanted  
Isn't always what it seems  
I'm a lucky girl whose dreams came true  
But underneath it all, I'm just like you

[Verse 2]

Don't wanna be treated differently  
I wanna keep it all inside  
Half the time I've got my name in lights  
The other half I'm by your side  
It's a crazy life, but I'm just fine

[Chorus]

I got everything I've always wanted, living the dream  
So yeah, everything I've always wanted  
Isn't always what it seems  
I'm a lucky girl whose dreams came true  
But underneath it all, I'm just like you

[Bridge]

Yeah, yeah  
Can't you see I'm just an ordinary girl?  
Living in an extraordinary world  
Trying to live, trying to learn, trying to just be who I am!  
Who I am

[Chorus]

I got everything I've always wanted, living the dream (the dream)  
So yeah, everything I've always wanted  
Isn't always what it seems  
I'm a lucky girl whose dreams came true

But underneath it all, I'm just like you  
I got everything I've always wanted, living the dream (living the dream)  
So yeah, everything I've always wanted (I've always wanted)  
Isn't always what it seems  
I'm a lucky girl whose dreams came true  
But underneath it all, I'm just like you
