

Like a Pimp (Remix)

David Banner

Make them girls get down on the flo', on the flo' Like a Pimp
Make them girls get down on the flo', on the flo' Like a pimp
Make them girls get down on the flo', on the flo' By the time I hit the door
I saw hoes on the flo'
Niggas dressed in suits
Tricking all they dough
Me I'm a pimp
I ain't paying for no sex
Man I'd rather buy a car
Or a new Rolex
Cause I got street fame
So hoes flock like birds
I got one hoe in the range
And another in the surbs'
When I hit the club
Imma be wit David Banner
A thug ass nigga
Wit bad table manners
We act bad (my nigga what is y'all saying)
Like when we walk inside clubs
Niggas hold they gal's hand
Cause they know we run trains (choo choo) all night
How could yo gal leave me
And be wit you all night
But it's all right
Cause you know we don't kiss
Like Too \$hort said
Bitches ain't shit
I tried to told ya
That most girls really freaks
And dis is how they gotta
Make they money every week
(repeat 4x)
Real girls get down on the flo' on the flo' Like a pimp
Step into club looking just like a pimp
We got cash so we screaming out "shake something bitch"
This is your song
Tell the DJ put it on
Micheal Tyler made you shake
Sisqo made you show your thong
Bitch I'm dead wrong
The playa from the crib
So get out on the flo'
And girl get it how you live
And since you so hot (hot)

Then show yo pussy lips
 You go to Tugallo, but I know you still flip
 Bitch don't trip
 Ain't a damn thang changed
 I still love my queen
 But bitches keep me to the game
 So if you gotta hoe
 Shake 'em up and let em go uhh
 And let them girls get down on the flo' on the flo'
 Like a PimpNow don't you hate them ole'
 Lying ass hoes
 Smiling in your face
 Wearing her best friends clothes
 I suppose
 They like the way me and Banner pimp
 You can catch us at Poppa Do'sEating steak and shrimpOr you can catch us at E&J's pouring it
 up

 Guls licking my nuts
 We some south side pimps
 And we ain't giving a fuck
 Fuck yo gul up in the throat
 And make her swallow the nutWe make em
 Swallow the nut so
