

# I Feel So Good

Richard Thompson

I feel so good I'm going to break somebody's heart tonight  
I feel so good I'm going to take someone apart tonight  
They put me in jail for my deviant ways  
Two years, seven months and sixteen days  
Now I'm back on the street in a purple haze And I feel so good  
I feel so good  
I feel so good  
I'm going to break somebody's heart tonight  
I feel so good  
I'm going to make somebody's day tonight  
I feel so good  
I'm going to make somebody pay tonight  
I'm old enough to sin but I'm too young to vote  
Society been dragging on the tail of my coat  
But I've got a suitcase full of fifty pound notes  
And a half-naked woman with her tongue down my throat And I feel so good  
I feel so good  
I feel so good  
I'm going to break somebody's heart tonight  
I feel so good  
I'm going to make somebody's day tonight  
I feel so good  
I'm going to make somebody pay tonight They made me pay for the things I've done  
Now it's my turn to have all the fun  
I feel so good I'm going to break somebody's heart tonight  
And I feel so good  
I feel so good  
I feel so good  
I'm going to break somebody's heart tonight  
I feel so good  
I'm going to break somebody's heart tonight  
I'm going to break somebody's heart  
I'm going to break somebody's heart  
I'm going to break somebody's heart I'm going to make somebody's day tonight  
I feel so good  
I'm going to make somebody pay tonight
