

My Maria

B.W. Stevenson

My Maria, don't you know
I have come a long, long way
I been longing to see her
When she's around
She takes my blues away
Sweet Maria
The sunlight surely hurts my eyes
I'm a lonely dreamer on
A highway in the skies Maria
(Oh, Maria, I love you, girl)
(Oh, my Maria) Maria
(Oh, Maria, I love you, girl)
Maria, I love you
My Maria, there were
Some blue and sorrow times
Just my thoughts about you
Bring back my peace of mind Gypsy lady, you're
A miracle work for me
You set my soul free
Like a ship sailing on the sea She is the sunlight
When the skies are grey
She treats me so right
Lady, take me away Maria
(Oh, Maria, I love you, girl)
(Oh, my Maria) Maria
(Oh, Maria, I love you, girl)
Maria, I love you
Maria
(Oh, Maria, I love you, girl)
(Oh, my Maria) Maria
(Oh, Maria, I love you, girl)
Maria, I love you
