

Squad Shit (feat. John Wicks & Kodak Black)

Sniper Gang

John Wicks, all I know is mob shit
Sniper Gang stay on that squad shit
Once that Glock hit, can't cough a Glock bitch
ZMF runnin' wit' them zombies
Niggas gettin' wet, be cautious do not slip
Ain't even got to rap, I'm a get these racks regardless
I respect you if you respect me, that's 1000
I show love, I ain't pay no homage that's nonsenseRegardless, we knock you out the frame bruh
I'm honest I came wit' them snipers
Z up, never fold on them
Peter, brother of my brothers
Comin', boy we come in 50
Shots in, boy we come in 50
I would never fold on my brother
No homage, I'm comin' straight bustin'
And moms know she know I'm a lick her
Come through shootin' legs and you chase her
In the jungle, I be goin' ape bruh
1800 block, I'm from Golden Acres
John Wicks, all I know is mob shit
Sniper Gang stay on that squad shit
Once that Glock hit, can't cough a Glock bitch
ZMF runnin' wit' them zombies
Niggas gettin' wet, be cautious do not slip
Ain't even got to rap, I'm a get these racks regardless
I respect you if you respect me, that's 1000
I show love, I ain't pay no homage that's nonsenseFree my gunners in the pen, remember a few
summers back
Was hittin' licks was glad to be here, we done found the map
We ain't even got the duffle, we done found the map
I felt happy when I gave my momma a hundred stacks
This my brother on the track, got a bih prego
How I'm finna lose, nigga I got to get these pesos
We were hollerin' baby K's, you ain't know 'bout Dracos
I was felony lane gang, so I got to lay low
John Wicks, all I know is mob shit
Sniper Gang stay on that squad shit
Once that Glock hit, can't cough a Glock bitch
ZMF runnin' wit' them zombies
Niggas gettin' wet, be cautious do not slip
Ain't even got to rap, I'm a get these racks regardless
I respect you if you respect me, that's 1000

I show love, I ain't pay no homage that's nonsense
