

True Friend

Hannah Montana

We sign our cards and letters BFF
You've got a million ways to make me laugh
You're lookin' out for me, you've got my back
It's so good to have you around You know the secrets I could never tell
And when I'm quiet you break through my she-ee-ll
Don't feel the need to do a revel-yeah
'Cos you keep my feet on the ground A Tr-uu-e friend
You're here 'till the end
You pull me aside when somethin' aint right
Talk with me now and into the night
'Till its alright again
You're a true friend
You don't get angry when I change the plans
Somehow you're never out of second chances
Wont say 'I told ya' when I'm wrong again
I'm so lucky that I've found A Tr-uu-e friend
You're here 'till the end
You pull me aside when somethin' ain't right
Talk with me now and into the night
'Till its alright again True friends will go to the end of the earth
Till they find the things you ne-ee-d
Friends hold on through the ups and the downs
Cos they've got someone to believe in A Tr-uu-e friend
You're here 'till the end
You pull me aside when somethin' aint right
Talk with me now and into the night
No need to pretend
Ohhhh you a
Tr-uu-e friend
You're here 'till the end
You pull me aside when somethin' ain't right
Talk with me now and into the night
'Till it's alright again
You're a true friend
You're Tr-uuu-u-e friend
You're a truuue friend
