

# Rainy Dayz (feat. Ja Rule)

Mary J. Blige

(Ja Rule)

Hey, yeah

Rule baby, yeah

Mary J. Blige

Murder Inc.

Smile(Mary)

It's just those rainy days

Spend a lifetime, tryin' to wash away

Until the sun comes out and shines again

Smile for me, smile for me(Ja Rule)

All of those rainy days

Spend your lifetime, tryin' to wash away

Until the sun shines and I see your face

Smile at me, smile at me

(Mary)

We were always livin' so crazy and sexy and cool

And we began to love it (began to love it)

Watchin' all of the heartache and pain of the world

And thinkin' nothin' of it (thinkin' nothin' of it)

And baby, I got a love for you

And I know that you got me, baby

But everytime the sun shines bright

It gets so cloudyIt's just those rainy days

Spend a lifetime tryin' to wash away

Until the sun comes out and shines again

Smile for me, smile for me(Ja Rule)

All of those rainy days

Spend your lifetime tryin' to wash away

Until the sun shines and I see your face

Smile at me, smile at me

(Mary)

Cause nobody loves the rain(Ja Rule)

Can't stand it

But it always seems to fall(Mary)

Baby, handle it

Baby, didn't we tell ya before

About chasin' those waterfalls

Chasin' waterfalls

Yeah(Mary)

Cause nobody loves the rain(Ja Rule)

Can't stand it

But it always seems to fall(Mary)

Baby, handle it  
Baby, what did we tell ya before  
About chasin' those waterfalls(both)  
Yeah(Ja Rule)  
Yeah, baby  
Sometimes the Rule don't mind the rain  
It kinda feels like I'm drownin' in the Lord's pain  
Until the sun comes out and shines again  
Smile, and give me a reason to keep on believin'  
That everything ain't misleadin'  
And I kiss the clouds on them rainy days  
And smile for you, when the skies are gray  
Babe, cause I'm a tear drop away from cryin'  
And a few shots away from dyin'  
Dear Lord, would you shower my pain  
Let it rain, let it rain on me  
While I cherish the air I breathe  
I'm an angel, that can't soar, can't fly  
And I mastered it, Lord knows why(Mary)  
It's just those rainy days  
Spend a lifetime tryin' to wash away  
Until the sun comes out and shines again  
Smile for me, smile for me(Ja Rule)  
All of those rainy days  
Spend your lifetime tryin' to wash away  
Until the sun shines and I see your face  
Smile at me, smile at me(Mary)  
I feel like an angel  
With my broken wings  
So I can soar again  
Lord, let me in  
Baby, through all the passion, the pain, and the hurt  
I feel like I'm fallin', yeahMakin' clothes for all of those  
That spread the love  
And for those who can't take it  
Stand up  
Baby, we gonna make it  
In the words of Marvin Gaye  
War is not the answer(Mary)  
Nobody loves the rain(Ja Rule)  
Can't stand it  
But it always seems to fall(Mary)  
Baby, handle it  
Baby, didn't we tell ya before  
About chasin' those waterfalls  
Chasin' waterfalls(both)  
Yeah(Mary)  
Nobody loves the rain(Ja Rule)  
Can't stand it

But it always seems to fall(Mary)  
Baby, handle it  
Baby, what did we tell ya before  
About chasin' those waterfalls(both)  
Yeah(Mary)  
It's just those rainy days  
Spend a lifetime tryin' to wash away  
Until the sun come out and shines again  
Smile for me, smile for me(Ja Rule)  
All of those rainy days  
Spend your lifetime tryin' to wash away  
Until the sun shines and I see your face  
Smile at me, smile at me(Mary)  
Smile, smile, smile, smile  
Smile, smile, smile, smile, smile  
Til the sun shines  
Just smile for me  
Just smile for me, just smile at me  
Know in your heart, that we are free  
Free to believe, whatever we feel  
So feel somethin' real, baby  
Hey
