

Broken Arrow

Pixie Lott

What do you do when you're stuck
'Cause the one that you love
Has pushed you away
And you can't deal with the pain And now you're trying to fix me
Mend what he did
I'll find the piece that I'm missing
But I still miss him
I miss him, I'm missing him
Oh I miss him, I miss him, I'm missing him And you're sitting in the front row
Wanna be first in line
Waiting by my window
Giving me all your time
You could be my hero
If only I could let go
But his love is still in me
Like a broken arrow
Ooohh
Like a broken arrow
Ooh, ooh He's the thorn in my flesh
That I can't take out
He's stealing my breath
When you're around
And now you're trying to convince me
He wasn't worth it
But you can't complete me
He's the part that is missing
I miss him, I'm missing him
Oh I miss him I miss him, I'm missing him
And you're sitting in the front row
Wanna be first in line
Waiting by my window
Giving me all your time
You could be my hero
If only I could let go
But his love is still in me
Live a broken arrow Oooh
Like a broken arrow
Ooh, ooh What do you do
When your hearts in two places?
You feel great but you're torn inside
You feel love but you just can't embrace it
When you found the right one at the wrong time And you're

Sitting in the front row
Wanna be first in line
Waiting by my window
Giving me all your time
You could be my hero
If only I could let go
But his love is still in me
Like a broken arrowOoohh
Like a broken arrow
Ooohh
Yeah
Oh...
