

# There for You

## Gorgon City & MK

(Wish I was there for you  
(Was there for you) Waited so long  
Thought you'd never come  
You proved me wrong  
'Cause I don't know why it felt so right  
If I could go  
Go back in time  
What I would do  
Is love you sooner I wish I was there for you  
Wish I was holding you closer, then close every day of your life  
Wish I was there for you  
And I wish that you were there for me too  
Wish I was there for you  
(There for you, there for you)  
(There for you)  
(There for you, there for you)  
Wish I was there for you  
(There for you, there for you)  
(There for you)  
(There for you, there for you) There for you  
There for you, there for you  
There for you  
There for you, there for you  
I wish I was there for you  
And I wish that you were there for me too  
(There for you)  
(There for you, there for you)  
I lose my mind  
Going back in time  
Were you mine  
Oh, mine? Oh-oh So many years, so many tears  
Wishing that you were over here  
Maybe that's how it needed to be  
For you to get to me Wish I was there for you  
Wish I was holding you closer, then close every day of your life  
I wish I was there for you  
'Cause when we're together there's so much to love  
There's so little time  
I wish I was there for you  
Wish I was holding you closer, then close every day of your life  
I wish I was there for you  
And I wish that you were there for me too Wish I was there for you

(There for you, there for you)  
(There for you)  
(There for you, there for you)  
Wish I was there for you  
(There for you, there for you)  
(There for you)  
(There for you, there for you) There for you  
There for you, there for you  
There for you  
There for you, there for you  
I wish I was there for you  
And I wish that you were there for me too  
(There for you)  
(There for you, there for you) Yeah, yeah, yeah  
Yeah, yeah, yeah  
Yeah, yeah, yeah  
Yeah, yeah, yeah
