

# Yolo (feat. Adam Levine & Kendrick Lamar)

## The Lonely Island

Adam Levine: YOLO Andy: YOLO, you only live once. The battle cry of a generation.

This life is a precious gift.

So don't get too crazy,

It's not worth the risk. Adam Levine:

You know that we are still young.

So don't be dumb.

Don't trust anyone,

Cause you only live once. Kiv: Ugh, you only live once,

That's the motto.

So take a chill pill,

Ease off the throttle.

Jorm: Never go to loud clubs

Cause it's bad for your ears.

Your friends will all be sorry

When they can't hear. Andy: And stay the hell away from drugs

Cause they're not legal.

Then bury all your money in the backyard

Like a beagle. Kiv: Cause you should never trust a bank

They've been known to fail.

And never travel by car, a bus,

Boat or by rail. Jorm: And don't travel by plane.

And don't travel at all.

Built a bomb shelter basement

With titanium walls.

Andy: And where titanium suits

In case pianos fall on ya.

And never go in saunas

Cause they're crawlin' with piranhas. Kiv: And never take the stairs

Cause they're often unsafe.

You only live once,

Don't let it go to waste. Adam Levine:

You know that we are still young,

So hold off on the fun.

Cook your meat 'til it's done,

Cause you only live once. Jorm: Yeah,

And here's another piece of advice:

Stay away from kids

Cause their hair is filled with mad lice. Andy: There's no such thing

As too much Purell.

This a cautionary tale,

Word to George Orwell. Kiv: So don't 1980 force

Any plugs into sockets.

Always wear a chastity belt  
And triple lock it.Jorm: Then hire a taster  
Make him check your food for poison.  
And if you think your mailman is a spy  
Then destroy him.Andy: No blankets or pajamas  
They can choke you in your sleep.  
Two words about furniture:  
Killing machines.Kiv: Board your windows up  
The sun is bad for your health.  
And always wear a straight jacket  
So your safe from yourself.Kendrick Lamar:  
Take no chances (no chances)  
Stop freelancin' (right now)  
Invest in your future,  
Don't dilute your finances (uh huh)  
401K, make sure it's low risk  
Then get some real estate (how much?)  
4.2%Thirty year mortgage,  
That's important, that's a great deal  
And if you can't afford it,  
Don't forge it on your last bill  
Renting is for suckers right now  
A dependable savings,  
And you'll retire with money in your account.  
Beast.YOLO, say no no.  
Isolate yourself  
And just roll solo  
Be care-folo  
You oughta look out  
Also stands for YOLO.Adam Levine:  
You know that we are still young.  
Burn the prints off your thumbs.  
Then pull out all your teeth,  
So you can't bite your tongue.Only on this earth for a short time, time  
So don't go outside, cause you don't want to die, die.Just take our advice and hide  
And scream YOLO to the sky.Andy: You oughta look out
