

# You Might Think

## The Cars

Oh well uh, you might think h'm crazy  
To hang around with you  
Or maybe you think I'm lucky  
To have somethin' to do  
But I think that you're wild  
Inside me is some child  
You might think I'm foolish Or maybe it's untrue  
(You might think I'm crazy)  
You might think I'm crazy  
(All I want is you)  
All I want is you  
You might think it's hysterical  
But I know when you're weak  
You think you're in the movies  
And everything's so deep  
But I think that you're wild  
When you flash that fragile smile  
You might think it's foolish  
What you put me through  
(You might think I'm crazy) You might think I'm crazy (All I want is you)  
All I want is you  
And it was hard so hard to take  
(So hard to take)  
(There's no escape)  
There's no escape  
Without a scrape  
(Without a scrape)  
But you kept it going till the sun fell down  
You kept it going  
Oh well uh, you might think I'm delirious  
The way I run you down  
But somewhere sometimes  
When you're curious  
I'll be back around Oh, I think that you're wild  
And so uniquely styled  
You might think it's foolish  
This chancy rendezvous  
(You might think I'm crazy)  
You might think I'm crazy  
(All I want is you)  
All I want is you, aoo  
All I want is you

(All I want is you)  
All I want is you
