

# Girl Like Me

Niia

I gotta tell you something  
With me it's all or nothing now, too proud  
I can be crazy, darling  
I'll be your heaven, honey, and your hell  
Yeah, I know all we'll do is fight  
Oh I'll make ya, make ya lose your mind  
But if you stay with me despite  
I'ma make ya, make ya see the light, yeah 'Cause a girl like me  
Can take you there, give you what you like  
'Cause a girl like me  
Can keep you up all day, every night  
Yeah, a girl like me  
Can make you feel things you never felt  
So baby let me see why you think you should be  
With a girl like me  
So tell me what you're gonna do now about it  
Now I've warned you, what you gonna do?  
(With a girl like me)  
So tell me what you're gonna do now about it  
Now I've warned you, what you gonna do?  
(With a girl like me)  
Baby, I get real jealous  
I can be cold and selfish, take too long, mmm  
Ooh, but I keep you guessing  
It's my secret weapon, I know it turns you on, ooh  
Yeah, I know all we'll do is fight  
Oh I'll make ya, make ya lose your mind  
But if you stay with me despite  
I'ma make ya, make ya see the light  
See the light 'Cause a girl like me  
Can take you there, give you what you like  
'Cause a girl like me  
Can keep you up all day, every night  
Yeah, a girl like me  
Can make you feel things you never felt  
So baby let me see why you think you should be  
With a girl like me  
So tell me what you're gonna do now about it  
Now I've warned you, what you gonna do?  
(With a girl like me)  
So tell me what you're gonna do now about it  
Now I've warned you (warned you), what you gonna do?

'Cause a girl like me  
Can take you there, give you what you like  
'Cause a girl like me (me)  
Can keep you up all day, every night  
Yeah, a girl like me  
Can make you feel things you never felt  
(That you never said)  
So baby let me see why you think you should be  
With a girl like me
