

# Hit the City (feat. PJ Harvey)

Mark Lanegan

The dark descends through the promised land  
Down kingdom come and the acid ban  
I'm bad alone, burned inside out  
Nothing to kill it  
I hit the city  
In Marianne I dug the hole  
And watched her trip on my heart of stone  
And in the end all that crawled, was my skin  
I couldn't kill it  
I hit the city  
I hit the city  
Ghost arrives at its bitter end  
To the promised land and the dark descends  
I'm bad alone, burned inside out  
Nothing to kill it  
I hit the city (x5)  
1, 2, 3, 4  
I hit the city
