Lookin' for a Love

Bobby Womack

I'm lookin' for?
I'm lookin' for
?I'm lookin' for
?I'm lookin' for?
Oh yeah-yeah-yeah-yeah?
She might be over here somewhere
I'm gonna find herCome and get it
I'm lookin' I gotta find a love
I'm just lookin' for
I'm just gonna keep on lookin'
I'm lookin' for a love
I'm gonna find her oh yeah
Gotta keep on lookin'
I need someone to walk by my side
I've gotta find someone(I'm lookin' for a love
I'm lookin' for a loveI'm gonna find
I've got to find someoneI'm lookin' for
Everyday I'm lookin' for a love
Well I'm
?And I'm lookin' here and there?
And I'm searching everywhere?
And I'm lookin'?
I'm lookin'?
I'm lookin'
?I'm lookin'
I'm lookin' for a love?
Lookin' for a love
?Well now?
And I'm lookin'
here and there?
Searching everywhere?
Gotta, gotta, gotta?
I've gotta
?I've gotta find someoneSomeone to get up in the mornin'?
And rub my head?
Someone to fix my breakfast?
And bring it to my bed?
Someone to do a little housework?
And back with me again?
Yeah?
With lots of love and kisses?
And ?

?But right now oooooh?
I'm lookin' for a love, yes sir?
Everyday of my life?
And I'm lookin' here and there?
And I'm searching everywhere?
And I'm lookin'
?I'm lookin'
?I'm lookin'?
I'm lookin'I'm lookin' for?
I'm lookin' for
?I'm lookin' for
?I'm lookin' for?
Oh yeah-yeah-yeah-yeah?
She might be over here somewhere
?I'm gonna find herCome and get it
?I'm lookin' I gotta find a love?
I'm just lookin' for?
I'm just gonna keep on lookin'I'm lookin' for a love?
I'm gonna find her oh yeah
?Gotta keep on lookin'
?I need someone to walk by my side?
I've gotta find someone
