

# You & Me

## Dave Matthews Band

[Verse 1]

Wanna pack your bags, something small  
Take what you need and we'll disappear  
Without a trace, we'll be gone, gone  
The moon and the stars will follow the car  
And then, when we get out to the ocean  
We're gonna take a boat to the end of the world  
All the way to the end of the world

[Pre-Chorus]

Oh, and when the kids are old enough  
We're gonna teach them to fly

[Chorus]

You and me together  
We could do anything, baby  
You and me together, yes, yes  
You and me together  
We can do anything, baby  
You and me together, yes, yes

[Verse 2]

You and I, we're not tied to the ground  
Not falling, but rising, like rolling around  
Eyes closed above the rooftops  
Eyes closed, we're gonna spin through the stars  
Our arms wide as the sky  
We gonna ride the blue all the way to the end of the world  
To the end of the world

[Pre-Chorus]

Oh, and when the kids are old enough  
We're gonna teach them to fly

[Chorus]

You and me together  
We could do anything, baby  
You and me together, yes, yes  
You and me together  
We could do anything, baby

You and me together, yes, yes

[Bridge]

We can always look back at what we did  
Always the memory of you and me, baby  
But right now it's you and me forever, girl  
And you know we could do better than anything that we did  
You know that you and me, we could do anything

[Chorus]

You and me together  
We could do anything, baby  
You and me together, yeah, yeah  
Two of us together  
We could do anything, baby  
You and me together, yeah, yeah  
Two of us together  
Yeah, yeah  
Two of us together  
We could do anything, baby

[Outro]

Something small  
Until we reach the end of the world
