

# Reality (feat. Janieck Devy)

## Lost Frequencies

Decisions as I go, to anywhere I flow.  
Sometimes I believe, at times I'm rational.  
I can fly high, I can go low.  
Today I got a million,  
Tomorrow, I don't know. Decisions as I go, to anywhere I flow.  
Sometimes I believe, at times I'm rational.  
I can fly high, I can go low.  
Today I got a million, Tomorrow, I don't know.  
Stop claiming what you own and think about the show.  
We're all playing the same game, waiting on our loan.  
We're unknown and known, special and a clone.  
Hate will make you cautious, love will make you glow. Make me feel the warmth  
make me feel the cold  
It's written in our story  
it's written on the walls  
This is our call, we rise and we fall  
Dancin' in the moonlight,  
don't we have it all? Decisions as I go, to anywhere I flow.  
Sometimes I believe, at times I'm rational.  
I can fly high, I can go low.  
Today I got a million,  
Tomorrow, I don't know.  
Make me feel the warmth,  
make me feel the cold.  
It's written in our story,  
it's written on the walls  
This is our call, we rise and we fall.  
Dancin' in the moonlight  
don't we have it all?
