

I Learned from You

Miley Cyrus & Billy Ray Cyrus

Ooooo

Yeah

I didn't wanna listen to what you were sayin'
I thought that I knew all I need to know I didn't realize that somewhere inside me
I knew you were right but I couldn't say so
I can take care of myself, yeah, you taught me well
I Learned From You that I do not crumble I learned that strength is something you choose
All of the reasons to keep on believin'
There's no question, that's a lesson, that I Learned From You
We always don't agree on
What is the best way
To get to the place that we're going from here
But I can really trust you, and give you the distance
to make your decisions without any fear I'm grateful for all of the times
You opened my eyes
I Learned From You that I do not crumble
I learned that strength is something you choose All of the reasons to keep on believin'
There's no question, that's a lesson
I Learned From You
You taught me to stand on my own and I thank you for that
You saved me, you made me
and now that I'm looking back
I can say
woooaaahhhh!
Hmmm... Hmmm... Yeah!
I Learned From You that
I Learned From You
I do not crumble
I learned that strength is something you choose
something you choose
All of the reasons to keep on believin'
keep on believin'
There's no question, that's a lesson that I Learned From You
Wooaaahhhh!
I learned from yoooouuu
I learned that strength is something you choose
something you choose
All of the reasons to keep on believin'
There's no question, that's a lesson that I Learned From You
yeah!
I Learned From You
