

# Footprints

Sia

[Verse 1]

I'd fallen through the floor again, crashed into the basement  
The pain was swallowing me  
I was like a lead balloon, I couldn't even get up to turn the lights on  
The dark is swallowing

[Pre-Chorus]

Lord knows you can't trust your head  
When you're standing on the edge of breaking down  
Lord knows you can't trust your head  
When you're hanging by a thread  
I was breaking down, and I saw

[Chorus]

Only two footprints in the sand  
Thought you'd abandoned me and let go of my hand  
But you were carrying me, carrying me to safety  
Two footprints, your footprints in the sand  
Two footprints, two footprints, your footprints in the sand  
Two footprints, your footprints in the sand

[Verse 2]

I forgot the things I knew, it was I who'd abandoned you  
Forgive me, I was lost in doubt  
You had never left my side, picked me up when I thought I would die  
You held me and I was found

[Pre-Chorus]

Lord knows you can't trust your head  
When you're standing on the edge of breaking down  
Lord knows you can't trust your head  
When you're hanging by a thread  
And I'm breaking down

[Chorus]

Only two footprints in the sand  
Thought you'd abandoned me and let go of my hand  
But you were carrying me, carrying me to safety  
Two footprints, your footprints in the sand  
Only two footprints in the sand

Thought you'd abandoned me and let go of my hand  
But you were carrying me, carrying me to safety  
Two footprints, your footprints in the sand  
Two footprints, two footprints, your footprints in the sand  
Two footprints, your footprints in the sand
