

# Forest Green (feat. Mike G)

## Odd Future

Follow the leader, bad senioritas in two seaters  
She loves green, thats money, Mary Jane and Margaritas  
The way it seems, the streets be looking at me like a teacher  
They hounding me, like desperate rappers waiting for a feature  
I aint saying I dont need you, Im saying lets keep the pace  
Should be back at your place, just being patient with your feet up  
They say hes so chill, how does he show no stress?  
He cant see into the future, how does he know whats next?  
Seeing all of these steps that hes taking  
Youre mistaken if they say we aint so complex  
Im tryna be in a blue coupe, you cant pronounce the name  
With a bad yellow bitch and shes singing Purple Rain, so insane  
And people talking down on me, I dont really think they should  
They said they could do it better, I dont really think they could  
I aint one for niggas wishes, but I wish a nigga would  
This aint as easy as it looks, I just make it look good  
If its politics, were the presidents so presense serves a purpose  
Its obvious that were evidence, youre paying for a service  
And I feel, you always think youre less than what you can be  
What does it mean if I think Im the one these niggas cant see?  
Gang mentality, Odd Future is a family  
My niggas thrash, I was always Anti, Plan-B  
Did I lose you? I know Im much more than youre used to  
Now I got these girls stepping out from their usual  
So they tune in, T.I., see I, realize Im a stand up guy  
And these niggas realize they cant stand to see me on TV  
So they lose their footing like they were gluttons with diabetes  
But fuck the bullshit, Im just tryna get rich  
With my middle fingers up screaming swag me out bitch  
Black kid on the corner selling drugs, go figure  
Salute them with 21 guns, Im killing these niggas  
Uhh, bitch  
Oh, and Free Earl mothafucka  
And people talking down on me, I dont really think they should  
They said they could do it better, I dont really think they could  
I aint one for niggas wishes, but I wish a nigga would  
This aint as easy as it looks, I just make it look good
