

Slow Your Roll

Brothers Osborne

[Verse 1]

Take a little break from the rat race
Pour up a little heaven on ice
Pick it back up on Monday
Today I'm gonna testify
The lords been talking through the weather
Sunday sermon in the sun down sky
Don't think I could say it any better
So I think I'm gonna take that advice

[Chorus]

Slow your roll, slow your roll
It's a down shift, deep stress, take yourself a deep breath
Watch it go up in smoke
Slow your roll, that's right

[Verse 2]

We're all gonna get there someday
Don't have to be tonight
It's harder than you think to do nothing
If you wanna do nothing right
You gotta

[Chorus]

Slow your roll, slow your roll
It's a down shift, deep stress, take yourself a deep breath
Watch it go up in smoke
Slow your roll, that's right

Let's take it down a notch

Can you almost taste light one up and take it
Down a notch and pop a top
Calm your country ass down
To low

[Outro]

It's a down shift, deep stress, take yourself a deep breath
Watch it go up in smoke
Slow your roll, that's right

Slow your roll
Slow
