

# Way Away

## Yellowcard

I think I'm breaking out  
I'm going to leave you now  
Theres nothing for me here, it's all the same  
And even though I know  
That everything might go  
Go downhill from here, I'm not afraid Way away away from here I'll be  
Way away away so you can see  
How it feels to be alone and not believe (Feels to be alone and not believe)  
Feels to be alone and not believe anything  
You can't stop me now  
You can't hold me down  
You can't keep me here, I'm on my way  
I've made it this far now  
And I'm not burning out  
No matter what you say, I'm not afraid Way away away from here I'll be  
Way away away so you can see  
How it feels to be alone and not believe (Feels to be alone and not believe)  
Feels to be alone and not believe anything Letting out the noise inside of me (Letting out the  
noise inside of me)  
Every window pane is shattering (Every window pane is shattering)  
Cutting off my words before I speak (Cutting off my words)  
This is how it feels to not believe  
Letting out the noise inside of me (Letting out the noise inside of me)  
Every window pane is shattering (Every window pane is shattering)  
Cutting off my words before I speak (Cutting off my words)  
This is how it feels to not believe  
Way away away from here I'll be  
Way away away so you can see  
How it feels to be alone and not believe (feels to be alone and not believe)  
Feels to be alone and not believe anything
