

# Stoneface

## Veruca Salt

Didn't notice I was gone  
Cause you were tying up your arm  
Oh...  
And when I stand on my head  
You never react  
I can't get you to crack  
I can't get you to crack  
Not one fucking smile And when it comes right down to it  
I'm gonna run right back to him  
I want a peace mapped out with him  
Cuz I really love his stoneface oh  
I really love his stoneface oh  
I really love it  
A sneaky goddess has my man, man  
That kind of love don't understand him  
Oh oh  
And when I swallow my gum  
You never react  
I can't get you to crack  
I can't get you to crack  
Not one fucking smile But when it comes right down to it  
I'm gonna run right back to him  
I want a peace mapped out with him  
I really love his stoneface oh  
I really love his stoneface oh  
I really love it  
swallow hard, until you  
I'll be the one to thrill you  
I'll be the first to kill you  
and if you won't die  
I will when I shortsheet the bed  
you never react  
I can't get you to crack  
I can't get you to crack  
I can't get you to crack  
I can't get you to crack  
I can't get you to crack  
not one fucking smile  
and when it comes right down to it  
I'm gonna run right back to him  
I want a piece knocked out of him  
I really love his stoneface, oh

I really love his stoneface, oh  
I really love it
