

# Blame (feat. John Newman)

Calvin Harris

Can't be sleeping, keep on waking  
Without the woman next to me  
Guilt is burning, inside I'm hurting  
This ain't a feeling I can keep So blame it on the night  
Don't blame it on me, don't blame it on me  
Blame it on the night  
Don't blame it on me, don't blame it on me Blame it on the night  
Don't blame it on me, don't blame it on me  
So blame it on the night  
Don't blame it on me, don't blame it on me Don't blame it on me Can't you see it?  
I was manipulated by it  
To let her through the door  
I had no choice in this  
I was a friend she missed  
She needed me to talk So blame it on the night  
Don't blame it on me, don't blame it on me  
Blame it on the night  
Don't blame it on me, don't blame it on me Blame it on the night  
Don't blame it on me, don't blame it on me  
So blame it on the night  
Don't blame it on me, don't blame it on me Don't blame it on me Oh, I'm so sorry, so sorry, baby  
Yeah  
Ooh, I got to say  
So sorry  
Oh, I promise  
(I'll be better this time, I will be better this time)  
Don't blame it on me  
Don't blame it on me
