

Every Little Thing She Does Is Magic

Ra

Yeah Well, I've tried before to tell her
Of the feelings I have for her in my heart
Every time that I come near her
I just lose my faith as I've done from the start Every little thing she does is magic
Everything she do just turn me on
Even though my life before was tragic
Now I know my love with her goes on, yeah Do I have to tell the story
Of a thousand rainy days since we first met
Yeah yeah
It's a big enough umbrella
But it's always me that ends up getting wet
Every little thing she does is magic
Everything she do just turn me on
Even though my life before was tragic
Now I know my love with her goes on I resolve to call her up a thousand times a day
And ask her if she'll marry me in some old fashioned way
But my silent fears have gripped me
Long before I reach the phone
Long before my tongue has tripped me
Must I always be alone? Every little thing she does is magic
Everything she do just turn me on
Even though my life before was tragic
Now I know my love with her goes on Every little thing she does is magic
Everything she do just turn me on
Even though my life before was tragic
Now I know my love with her goes on
And, on and, on and, on and, on and, on and, on and
Every little thing, every little thing, every little thing
Every little thing, every little, every little, every little
Every little thing she does, every little thing she does
Every little thing she does, every little thing she does
Thing she does is magic Do I have to tell the story
Of a thousand rainy days since we first met
