# Let Your Love Go

## [Bread](Bread)

There's a reason for the life that you live
and there's a pleasin' that I know you can give
and I've been craving the love you've been savin'
So baby won't you give it to meYou're tellin' me no no no
you're gonna let your love go
I'm tellin' you yes yes yes
You really ought to be gettin' some happinessI've made a motion and it's out on the floor
and it's a notion that I'd love to explore
Cause I've been tastin' the love you've been wastin'
So baby won't you give it to me
You're tellin' me no no no
you're gonna let your love go
I'm tellin' you yes yes yes
You really ought to be gettin' some happiness
You're a lady and I'm here in the palm of your hand
Such a lady how much more do you think I can standYou're tellin' me no no no
you're gonna let your love go
I'm tellin' you yes yes yes
You really ought to be gettin' some happiness
You're tellin' me no no no
you're gonna let your love go
I'm tellin' you yes yes yes
You really ought to be gettin' some happiness
