She Wolf

Shakira

SOS, she's in disguise
SOS, she's in disguise
There's a she wolf in disguise
Coming out, coming out, coming outA domesticated girl, that's all you ask of me
Darling, it is no joke, this is lycanthropy
The moon's awake now, with eyes wide open
My body's craving, so feed the hungryI've been devoting myself to you Monday to Monday and Friday to Friday
Not getting enough retribution or decent incentives to keep me at it
I'm starting to feel just a little abused like a coffee machine in an office
So I'm gonna go somewhere cozy to get me a lover and tell you all about itThere's a she wolf in the closet
Open up and set it free
There's a she wolf in your closet
Let it out, so it can breathe
Sitting across a bar, staring right at her prey
It's going well so far, she's gonna get her way
Nocturnal creatures are not so prudent
The moon's my teacher, and I'm her studentTo locate the single men, I got on me a special radar
And the fire department hotline, in case I get in trouble later
Not looking for cute little divos or rich city guys, I just want to enjoy
By having a very good time and behave very bad in the arms of a boyThere's a she wolf in the closet
Open up and set it free
There's a she wolf in your closet
Let it out, so it can breatheSOS, she's in disguise
SOS, she's in disguise
There's a she wolf in disguise
Coming out, coming out, coming out
SOS, she's in disguise
SOS, she's in disguise
There's a she wolf in disguise
Coming out, coming out, coming outThere's a she wolf in your closet
Let it out, so it can breathe
